To: Junior Class Parents

Re: Project Prom

Over the past several years it has become a Festus High School tradition for the junior class parents to organize, coordinate and implement an event to follow the annual Junior-Senior Prom. This event, called Project Prom, is a fun time of activities that is typically held at the YMCA, where the students have a safe place to go after prom to hangout with their friends, play games, and win money and prizes. In the past, the prizes are very nice ranging from TV's, Ipod's, etc., and lots of cash. The event begins at 11:00 p.m. immediately after prom and is over at 6:00 a.m. The students are not allowed to leave once arriving until the end of the night/morning.

In order for the junior class parents to host this event, we need many parent volunteers. The first meeting was held on September 3rd. Initial ideas were shared and some duties were assigned but there is plenty to do. We will need to hold several fundraising events between now and April for the goal of \$15,000 to be achieved.

We would like to invite everyone to participate in this great opportunity to be involved with the planning of a fun and safe night for our students. Please join us for the next meeting on **Thursday, October 8th at 7:00 p.m.** in the High School Cafeteria.

We realize that not every parent has the free time to volunteer for these events. However, there is something that every one of us can do to contribute in some way.

If you are available to help in any way, please indicate below:

____ Please contact me, I would like to help.

____ I cannot help but I would be willing to send donations of ice cream or toppings for ice cream sundae sales at lunch time.

____ I am not available to help but would like to make a monetary donation of \$_____
